BakkerElkhuizen USB-C Hub 7-in-1 (3A+4C), 7 connections, stylish design, flexible cable and stays cool during use.:

From frustration to flexibility

You know the drill: you want to connect a screen, use a mouse, plug in your headset and read a hard disk but your laptop has just too few (or just the wrong) ports. Result: cable chaos on your workstation and a lot of frustration. The compact USB-C Hub puts an end to that. Connect up to seven devices without plug stress, heat problems, loose adapters or clutter on your desk.
