Product sheet

**The elegant, sustainable ergonomic mouse for pain-free precision.**

#### **CENTRED CONTROL, MAXIMUM RELIEF.**

RollerMouse Pro offers one of the highest levels of pain relief and prevention in an ergonomic mouse. It keeps your hands, arms, and shoulders in a natural position, so there's no reaching, twisting, or gripping.

#### **THE LOWEST IMPACT. THE HIGHEST STANDARDS.**

RollerMouse Pro is crafted with recycled materials and a replaceable wrist rest, so you can extend its life and reduce waste.

#### **BEAUTIFUL. FUNCTIONAL. BUILT TO LAST.**

RollerMouse Pro brings sleek Scandinavian design to your desk. Its streamlined form, clean lines, and minimalist Rollerbar create an elegant look. The durable build stands up to everyday use.
