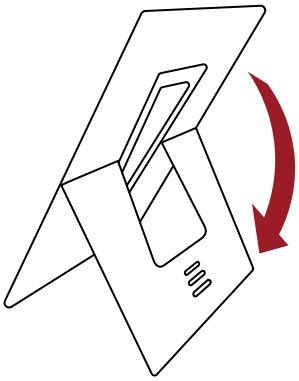
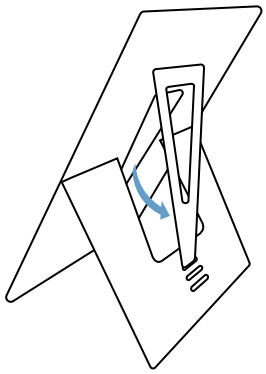
ENGLISH

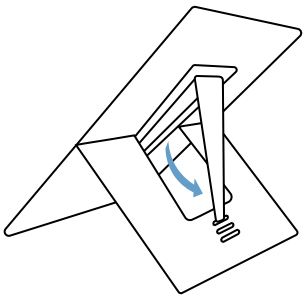
Setup - How to set up your Libro K book holder



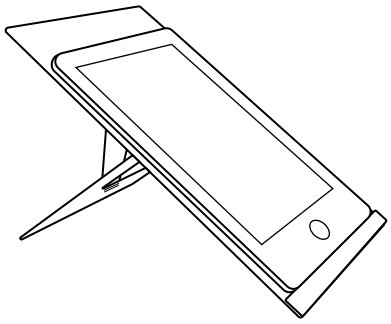
1. Unfold main support leg.



2. Unfold long strut and insert it in one of the slots for high angle support to use the stand as a document holder.



3. Unfold short strut and insert it in one of the slots for low angle support to use the stand as writing slope.



4. Place a document or tablet on the stand for convenient work. Use it alongside or in-line with your screen.
