

The fully adjustable vertical mouse for personalised comfort and precision.

PAIN RELIEF FOR EVERY HAND.

Experience excellent pain relief in your wrist and forearm, no matter your hand size. UniMouse's vertical design positions your hand in a natural handshake stance, easing muscle tension instantly.

CUSTOM COMFORT FOR LEFT OR RIGHT.

UniMouse reshapes itself to you. Tilt the patented 30 – 70° hinge, slide the five-way thumb rest, and micro-adjust length, width, grip size, and finger reach to perfectly fit any hand size.

PINPOINT PRECISION.

UniMouse turns hand movements into pixel-perfect actions. Tap the DPI button to cycle sensitivity levels and shift from precise edits to navigation.
