Short Description

- 9U cabinet, designed for optimal performance in every space
- 600X450MM Outdoor Cabinet
- Ships preassembled for easy setup at your location
- The cabinet comes with a robust steel frontdoor to prioritize security and long-lasting durability

Description

The "Safe Outdoor" Cabinet Line presents the 483 mm (19") IP55 Outdoor Wall Mount Cabinets, tailored for industrial use. Adhering to the IP55 safety standard as per EN 60529, they offer resistance against both water and dirt infiltration. Enhanced security is ensured with a 3-point-locking system complemented by a lockable swing handle and insulated cable entry points. The cabinets also feature integrated air ventilation slots for fresh air circulation, maintaining protection against water and dust as per IP54 standards. These cabinets are ideal for locations exposed to environmental elements like rain, dust, sleet, snow, and splashing water. For more flexibility, these cabinets can be paired with a plinth for standalone setups. When using the plinth, rear mounting holes can be sealed using plugs sourced from the cabinet's base.

Additional Information

Number of cartons per pallet	16 piece
Pallet net weight	16000 gram
Pallet gross volume	3646500 cubic_centimeter
Package volume	9936000 cubic_centimeter
Maximum number of stacking cartons	16 piece
Pallet net length	1300 millimeter
Pallet net width	1100 millimeter
Pallet net height	2550 millimeter
Manual	No
Mounting kit	No
Size (imperial)	13.6 inch
Height	579 millimeter
Width	450 millimeter
Depth	600 millimeter
Material thickness	10.5 millimeter
Inner height	400 millimeter
Inner width	595 millimeter
Minimum rack depth supported	260 millimeter
Maximum rack depth supported	385 millimeter
Inner depth	445 millimeter
Weight	33000 gram
