

# EQUIP SAFE OUTDOOR 19' CABINET, 09U, 600X600MM, RAL7035 GREY

## Product Images

## Short Description

- 9U cabinet, designed for optimal performance in every space
- 600X600MM Outdoor Cabinet
- Ships preassembled for easy setup at your location
- The cabinet comes with a robust steel frontdoor to prioritize security and long-lasting durability

## Description

The "Safe Outdoor" Cabinet Line presents the 483 mm (19") IP55 Outdoor Wall Mount Cabinets, tailored for industrial use. Adhering to the IP55 safety standard as per EN 60529, they offer resistance against both water and dirt infiltration. Enhanced security is ensured with a 3-point-locking system complemented by a lockable swing handle and insulated cable entry points. The cabinets also feature integrated air ventilation slots for fresh air circulation, maintaining protection against water and dust as per IP54 standards. These cabinets are ideal for locations exposed to environmental elements like rain, dust, sleet, snow, and splashing water. For more flexibility, these cabinets can be paired with a plinth for standalone setups. When using the plinth, rear mounting holes can be sealed using plugs sourced from the cabinet's base.

|                         |                   |
