## Product Images

## Short Description

- 10", 1U
- Material: Sturdy Steel,
- Black (RAL 9005)

## Description

The Equip 10" Brush Panel, 1U, in black, is an essential tool for managing cables and maintaining an organized server rack or data center. Designed to fit into a 1U rack space, this panel features a dense array of flexible nylon bristles that allow cables to pass through while blocking dust and debris.

Crafted from high-quality materials, the brush panel ensures durability and long-lasting performance. The sleek black finish gives a professional and cohesive look, seamlessly blending with other rack equipment. Its robust design helps to protect cables from wear

and tear, ensuring a tidy and efficient cable management solution.

Ideal for data centers, server rooms, and network closets, the 10" Brush Panel is a practical addition to any rack setup. It enhances cable management, ensures protection against dust, and contributes to the overall efficiency and longevity of your equipment.
