

USB-C Charging Cables (10-pack)

Keep Your Devices Charged

K32302WW

Product Description

This pack of 10 x USB-C Charging Cables is specifically designed for use with the Kensington USB-C Charging Cabinet (K67716EU), ensuring devices remain powered while allowing the cabinet door to close completely. Engineered for reliable performance, each cable enables consistent charging, supporting up to 3A charging current and up to 18W power output when used with the charging cabinet. The encased anti-twist abrasion-resistant cable has been tested to withstand at least 10,000 90° bend cycles. The compact 315mm (12.4") length reduces cable clutter and resists tangles.

Features

- Pack of 10 USB-C cables optimised for 18W charging with the Kensington USB-C Charging Cabinet (K67716EU), delivering up to 3A for fast and reliable power.
- Encased anti-twist abrasion-resistant cable tested to withstand at least 10,000 90° bend cycles.
- Angled 90° USB-C connector allows the cabinet door to close completely.
- Compact cable length (12.4"/315mm) helps reduce cable clutter and resists tangles.

Specifications

- **Cable Length (ft/m)** 12.4in/315mm
- **Connections** USB-C
- **Partner Exclusive** No
- **PDP Request Quote** Yes
- **Period of Warranty** Limited 2-year warranty
