

C2G Core Series High Speed HDMI™ Cable with Ethernet - 4K 60Hz is perfect for connecting a wide variety of devices from computers to projectors and monitors, home entertainment systems to HDTVs and gaming systems, or any audio video applications requiring high speed HDMI™ features and video resolutions up to 4K (4096 x 2160) at 60Hz.

This cable series offers features like 3D video, deep color, Dolby® True HD, DTS-HD Master Audio, and up to 32 audio channels for a multi-dimensional immersive audio experience. Simultaneously deliver dual video streams to multiple users on the same screen while delivering multi-stream audio to up to four users, giving a dynamic synchronization of video and audio streams. All these features will catch the audience's attention, providing a more realistic video experience.

These cables support the updated Consumer Electronic Control (CEC) commands library, allowing communication between devices connected through the HDMI™ ports. The cable's Ethernet capabilities allow Ethernet-enabled HDMI™ devices to access interactive online content or update device firmware. The gold-plated connectors on the cable allow for better shielding, increased electrical conductivity, and durability. Lastly, this fully functional, high bandwidth cable has been tested to perform at industry standards and is backed by a lifetime warranty.

Features & Benefits

Supports all HDMI features including resolutions up to 4K (4096 x 2160) at 60hz, which means higher quality video for viewing your screen content.	Supports 3D video for a more appealing and realistic video experience
Supports 32 audio channels for an immersive audio experience	Supports CEC extensions for control of consumer electronics devices through a single control point
Gold plated connectors for increased electrical conductivity and enhanced durability	Backed by a Lifetime Warranty for peace of mind

Specifications

General Info

Product Line	C2G	Color	Black
UPC Number	757120506478	Country Of Origin	China
Material	PVC	Compliance	REACH, RoHS, UKCA
Features	Dual Video Streams, Ethernet Capabilities, Multi-Stream Audio	Application Sector	Commercial, Residential
Warranty Type	Lifetime	Type	Cable, HDMI Cable

Dimensions

Product Weight US	0.584 lb	Product Length US	20.0 FT
Cable Length	20 ft	Outside Diameter	8.5 mm

Listing Agencies / 3rd Party Agencies

CE Certified	Yes	REACH Compliant	Yes
--------------	-----	-----------------	-----

Additional Information

Energy Savings	No

Technical Information

Operating Temperature Min	-20 °C	Wire Gauge	26 AWG
Video Resolution	4K 60Hz	Storage Humidity	20-80% RH (Non-Condensing)
Plating Specification	Gold	Jacket Application	Standard Non-Rated
Bend Radius	68 mm	Shielded/Unshielded Cable	Shielded
Conductor	4-Pair Twisted	Signal Transmission	Bidirectional
Operating Temperature Max	80 °C	Max Supported Color Depth	24-bit True Color
Shield Type	Foil	Cable Type	High Speed HDMI, Video
Jacket Rating	VW-1 Rated	Cable Diameter	8.5 mm
Data Transfer Rate	18 Gbps	Connector 2	HDMI Male
Connector 1	HDMI Male	Video Output Support	HDMI
Video Signal Technology	HDMI	Operating Temperature	-20°-80°C, -4°-176°F
Operating Humidity	20-80% RH (Non-Condensing)	Video Input Support	HDMI
Conductor Material	Copper	Chroma Subsampling	4:4:4

Active/Passive

Passive

Storage Temperature
