**Neomounts MOVE Go Flip FL50-515WH1 Trolley - 55-65" - max 50 kg - manual h 125-140,6 cm - VESA 400x400 - rotational interface - for Samsung Flip - Rapid Install-model - white**

The Neomounts MOVE Go Flip FL50-515WH1 is a premium trolley specifically designed for the Samsung Flip 55" and 65" displays. Its quick rotational interface and premium design, perfectly matching the Samsung Flip, allow users to move, adjust, and present without barriers. It's the ideal solution for flexible collaboration in modern classrooms, meeting rooms, and dynamic workspaces.

With the Neomounts MOVE Go Flip's smooth 90° rotation, switching between portrait and landscape orientation is effortless: perfect for dynamic brainstorming, interactive lessons or hybrid meetings. The trolley features two manual preset height positions, enabling users to adjust the screen to their preferred setup.

Its sleek and stable design complements the Samsung Flip 55" and Samsung Flip 65". The clean white finish, solid frame and integrated cable management contribute to a tidy and professional appearance that fits seamlessly into any environment.

The MOVE Go Flip is easy to move across rooms, thanks to large 100 mm locking castor wheels and ergonomic handles. The trolley's Rapid Install design reduces setup time to approximately 10 minutes, so your Samsung Flip is ready when you are.

The Neomounts FL50-515WH1 is built to match your Samsung Flip; in function, form and flexibility.
