

Kensington EQ Privacy Screen Filter for 14" Laptops 16:10

More sustainable privacy.

EQ140A1610E

Product Description

Finding privacy screen filters that support sustainability goals while offering strong data protection can be a challenge. Kensington EQ Privacy Screen Filters are an innovative solution, utilising 54% post-consumer recycled (PCR) plastic. With a limited viewing angle of ±30°, they help safeguard sensitive information in busy offices and public spaces. With easy installation options, touchscreen compatibility and military-grade protection, EQ Privacy Screen Filters are a more sustainable privacy solution for a wide range of laptops and monitors.
