Description

The Equip 133500 USB-C 6-in-1 Multifunctional Adapter is a compact and versatile accessory designed to maximize the connectivity of modern laptops, tablets, and smartphones equipped with USB-C ports. Built with portability and convenience in mind, this adapter integrates six essential functions into one sleek device, eliminating the need to carry multiple dongles.

Featuring an HDMI port that supports resolutions up to 4K at 30Hz, it allows you to extend or mirror your display with sharp images and vibrant colors, making it ideal for presentations, entertainment, or multitasking on larger screens. In addition, the adapter provides four USB-C ports, enabling users to connect multiple devices such as external drives, keyboards, or other peripherals with ease. A USB-A port supporting data transfer speeds up to 5Gbps ensures seamless connectivity with legacy devices such as flash drives and accessories.
