

GORGON04W 2-in-1 Foldable Magnetic Qi2 25W Wireless Charger

Product Images

Short Description

- Charges iPhone and Apple Watch simultaneously
- Qi2 certified 25W wireless charging ensures fast and efficient power delivery
- Magnetic alignment ensures secure, precise positioning for optimal charging
- Foldable design offers easy portability and compact storage
- Foreign object detection provides safe operation
- Protected against overload, short circuits, and overheating for safety

Description

Experience effortless charging with the 2-in-1 Foldable Magnetic Wireless Charger. This smart and compact solution powers your iPhone and Apple Watch at the same time, helping you reduce cable clutter and keep your space organized.

Qi2 certified 25W fast wireless charging delivers efficient and reliable performance for everyday use. Magnetic alignment ensures your devices stay securely in place and charge at optimal speed.

The foldable structure makes it perfect for travel or daily use. Fold it flat and pack it in your bag, or set it up on your desk for convenient charging throughout the day. Its compact design saves space without sacrificing functionality.

Built-in protection against overload, short circuits, and overheating ensures safe and dependable charging at all times.

This 2-in-1 charger combines speed, convenience, and intelligent design to give you a better way to power your Apple devices.
