

THANA08G Foldable Swivel Phone Stand, 360° Rotating Base, Adjustable Height

Product Images

Short Description

- Adjustable height and angle for optimal ergonomic positioning
- 360° rotating base for flexible viewing and working positions
- Anti-slip pads protect your device and prevent sliding
- Aluminum construction for durability and efficient heat dissipation
- Wide compatibility fits most smartphones and small tablets

Description

The Foldable Swivel Phone Stand is designed to elevate your viewing and working experience with a flexible design that adapts to your needs. It features adjustable height and angle settings that allow you to position your device for optimal ergonomic comfort. A 360° rotating base provides smooth and effortless orientation changes, making it ideal for calls, entertainment, and everyday browsing.

Constructed from durable aluminum, the stand offers excellent stability while supporting efficient heat dissipation during prolonged use. Anti-slip pads keep your device securely in place and prevent unwanted sliding. With wide compatibility for most smartphones and small tablets, this stand is a practical and stylish accessory for work, home, or travel.
