KB515 EQ USB-C/USB-A Wired Keyboard

Part No. K75410FR (French AZERTY), EAN Code: 5028252658959 | Part No. K75410PN (Pan-Nordic) | EAN Code: 5028252658966
Part No. K75410UK (UK English), EAN Code: 5028252658973 | Part No. K75410WW (International English) | EAN Code: 5028252658942

Customisable, quiet and reliable performance.

Busy professionals often struggle to stay productive and focused amid constant distractions – especially in shared workspaces. Traditional keyboards rarely offer the flexibility or comfort needed for efficient multitasking.

The KB515 EQ USB-C/USB-A Wired Keyboard is purpose-built to meet these demands, combining smart functionality with reliable performance. KB515 features a full-size layout with 16 programmable keys for custom workflows, quiet scissor-switch keys for smooth, silent typing and an integrated Copilot key* for instant AI-powered assistance.

Designed for focus, comfort and control, KB515 is an essential tool for smarter work.

- 16 programmable keys and dedicated Copilot key*
- Reliable lag-free wired connection
- Scissor-switch keys for quiet and responsive typing
- Full-size ISO layout with number pad and function keys
- LED indicators for Num Lock, Caps Lock and Scroll Lock
- Outer case made with at least 43% post-consumer recycled (PCR) content**
- Plug-and-play - no software or drivers needed
- 3-year limited warranty
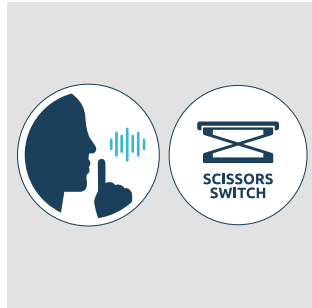

* Windows only.
** Excluding PCB board

KB515 EQ USB-C/USB-A Wired Keyboard

Part No. K75410FR (French AZERTY), EAN Code: 5028252658959 | Part No. K75410PN (Pan-Nordic) | EAN Code: 5028252658966
Part No. K75410UK (UK English), EAN Code: 5028252658973 | Part No. K75410WW (International English) | EAN Code: 5028252658942

16 Programmable Keys + AI Copilot Key for Enhanced Productivity

Customise your keyboard to streamline demanding workflows. With 16 programmable keys, a dedicated AI Copilot key*, and Function Lock, you can instantly access macros and key commands for seamless multitasking.

Scissor-Switch Keys for Quiet and Responsive Typing

The scissor-switch keys provide a quiet and responsive feel, perfect for shared spaces. Designed for comfort, these keys help reduce fatigue and ensure smooth & accurate typing.
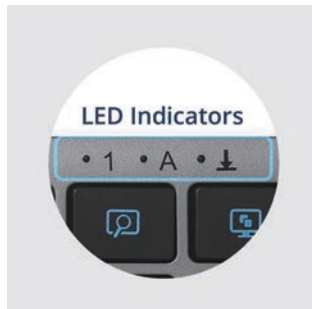

Reliable Wired Connection for Zero Latency Performance

Delivering high-speed performance in demanding environments, this keyboard features a 1.5m (5') wired connection (USB-C® with tethered USB-A adapter), ensuring zero lag. Whether you're typing, gaming or handling intricate tasks, you can focus on execution without worrying about battery life or signal dropouts.

Full-Size Layout for Versatility and Comfort

Featuring a full-size ISO layout with 110 keys, this keyboard is ideal for both professional and casual use. The spacious design includes a number pad for efficient data entry and function keys to support multitasking.
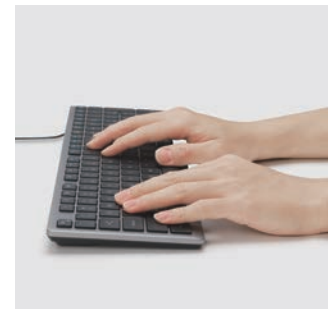

LED Indicators for Status Updates

Status lights for Num Lock, Caps Lock and Scroll Lock provide instant visibility into your keyboard's current settings.

Sustainability Attributes

The plastic used in the outer case of this keyboard is made with 43% post-consumer recycled (PCR) content** and it is shipped in FSC® certified packaging.

Universal Compatibility

Connects effortlessly without complex software or drivers. Ideal for professionals and remote workers, it offers intuitive compatibility so you can start typing right away.

* Windows only.
** Excluding PCB board.
