Accuratus 260 - Full Layout Professional Keyboard with Contoured Touch Typing Keys

About

The 260 is a firm favourite due to its stylish looks, durability and positive feedback keys. In a full size UK English layout with full height shaped keys on a contoured inclined base, the 260 provides hours of comfortable typing. The 260 offers full height keys which are contoured to shape your fingers, which also slope up towards the back of the keyboard offering excellent touch typing capabilities. Available in many language layouts, lowercase, high visibility, USB or PS/2 interfaces and with or without a 2 port USB2.0 hub, we have every option covered.

Whether it be for home, office, school or elsewhere, you will not be disappointed with the Accuratus 260, the original and professional typing keyboard.
