

## ERGO L-Shaped Electric Sit-Stand Desk Frame, Triple Motor

Model No.:

650820 (Grey)

650821 (White)

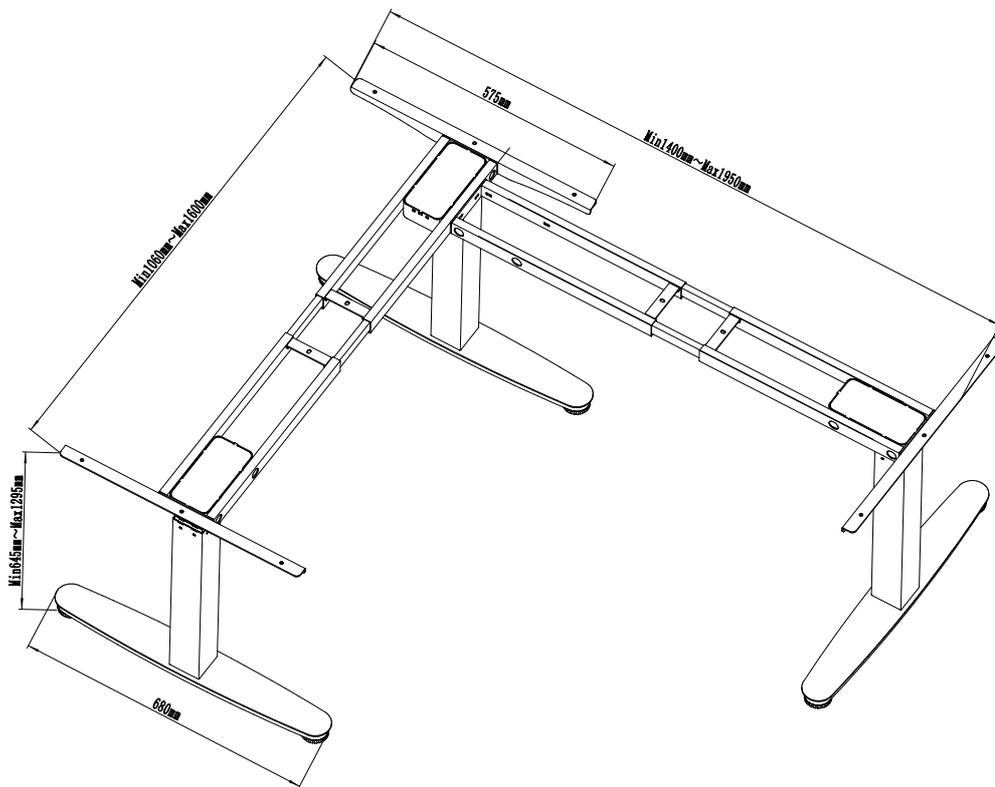

### I Overview

The equip® L shaped Sit-Stand is a 3-Stage Reverse Triple Motor Electric Sit-Stand Desk Frame that is engineered for ergonomic and can be adjusted to L-shape or corner shape by the crossbar. The programmable LED memory controller helps you to build a sit-stand habit. With only touch, you can adjust the desk to your preferred working height. Three motors offer more power for increased stability and larger loading capacity while running with low noise for better and quitter working environment.
