- ✓ Desk/Monitor Mount

Quality Sound and Picture

The Lite[®] by Hypertec Webcam provides productive pixel-perfect high definition Full HD 1080p video that allows your colleagues, friends and family to see you as clear as day, even when they are worlds away. Swiveling a full 360 degrees, the Lite[®] by Hypertec Webcam provides the flexibility to get the perfect angle, and the dual microphones capture crisp sound from all around, perfect for conferencing or long-distance video calling.

Simple Setup, High Compatibility

The true plug-and-play webcam is quick and easy to set up, providing simple functionality that works with both USB-C and USB-A devices. Stream across multiple video applications, the Lite[®] by Hypertec Webcam works with Skype, Zoom, Teams and more. Highly portable, the Webcams foldable design collapses to a compact size and the attachable webcam cover works as a lens protector. Making it the ideal accessory whether at home or on the move.
